Moving-picture theaters and trolley-car companies have successfully "proved to the world the importance and collective value of the humble dime and nickel."
In your own life you can prove their value, too. Go without some of the things that cost only a nickel or dime each—save that money—and see for yourself how the sum mounts up.

HAWAIIAN PRODUCTS MAY BE QUARANTINED
[By Latest Mail]
WASHINGTON.—A sweeping quarantine against all Hawaiian fruits and vegetables, except pineapples and bananas, may be ordered by the department of agriculture following an investigation of the Mediterranean fly danger at a hearing to be held here on March 19.
The ravages of the Mediterranean fly, which damages melons and cucumbers, also will be considered, and if it is shown that there is danger of this pest reaching the United States the quarantine will include Hawaiian cucumbers and melons.
The notice of the hearing announces the consideration of a quarantine against alligator pears, oranges, grapefruit, limes, mangoes, tomatoes, string beans, green peppers and other products. Bananas and pineapples, however, are to be permitted entry into the United States under federal inspection which shows them to be free from the dangerous pest.

There is no guessing about it. Millions of headaches are cured every year by "Shac." It really relieves the pain and gives sufferers the relief they expect from it. Easier to take than pills or tablets, and far better. Insist on "Shac."—advertisement.

"The Boy Scout Movement" will be the subject of an illustrated lecture which Scout Commissioner James A. Wilder will deliver in the Kalihi Union church this evening, beginning at 7:30. Kalihi now has two troops of boy scouts and it is expected that the scoutmasters and their scouts will be in attendance, as well as all others interested in the movement.
